Languages

- English
- Hindi

Education

B.Tech – Computer Science and Engineering

Galgotias University, Greater Noida

2021 – 2025

CGPA: 7.95 / 10

12th – CBSE Board

B.N.M College, 2021

Percentage: 76%

10th – CBSE Board

D.A.V Public School, 2019

Percentage: 66%

Internship

Frontend Developer Intern

Rnpsoft Pvt. Ltd. – Bhubaneswar

Mar 2025 – Jun 2025

- Developed responsive, mobile-first interfaces using HTML5, CSS3, JavaScript, and Bootstrap.
- Collaborated with backend developers to integrate REST APIs and ensure smooth data flow.
- Converted Figma wireframes into functional, optimized UIs with cross-browser support.
- Used Git and GitHub for version control, participated in Agile sprints and standups.
- Delivered features to real client projects, contributing to production-level deployment.

Projects

StayYatra – Property Rental Platform

GitHub Repository

Tech Stack: Node.js, Express.js, MongoDB, JavaScript

- Built a full-stack Airbnb-like platform with features like authentication, property CRUD, reviews, image uploads, and search filters.
- Used MVC architecture and RESTful APIs with MongoDB Atlas integration for cloud storage.

Mockify – AI Interview Simulator

GitHub Repository

Tech Stack: Node.js, Express.js, MongoDB, Web Speech API

- Developed an AI-powered platform for practicing interviews with real-time voice questions and speech recognition.
- Enabled PDF downloads of conversation, camera usage, and topic-wise simulation for candidate feedback.

Achievements

- Successfully completed Cybersecurity training by Govt. of India – ISEA, MeitY.
- Built and deployed two full-stack projects on Render and GitHub.
- Actively contributed to internship projects delivered to real clients.
